Lea & Perrins' Sauce.

Lea & Perrins' the original and genuine Worcestershire Sauce, has been before the public over half a century. Like all popular favorites, it has long been the standard of comparison with the pretended imitations, who are taking advantage of its well-earned reputation to foist upon the public worthless and base imitations of the genuine. Beware of getting "up." They have not counterfeited the signature of Lea & Perrins, which is on the red label of every genuine bottle, and of which this is a facsimile.

Lea & Perrins

To be sure of obtaining the genuine article, see that the above signature is on the label. genuine sauce.
